

THE GUIDEPOST MEMBERSHIP PLAN

Our aim is to provide high quality care and treatment in a relaxed, comfortable and safe environment. We are committed to continuing education and keeping abreast of advances in modern dentistry.

To ensure we maintain the high standards our patients have come to expect it is becoming increasingly important for us to accurately match the number and the needs of our patients to the resources we have available. With this in mind, we have joined with DPAS Limited to design a membership plan to reward loyal patients. This plan will be administered by DPAS who will make a separate arrangement with you to manage your payments under the plan. The plan will provide advantages both to you and to us. It will allow us to plan your dental care more effectively and provide you with a better service. The advantage for you is that you will have the peace of mind of a guaranteed place with your dentist and a relationship you can rely on. Our plan also provides worldwide Supplementary Insurance for dental emergencies or dental injuries whilst at home or abroad (see overleaf).

YOUR BENEFITS

- offering the peace of mind from knowing you are registered with a dentist in this practice
- receiving prompt appointments
- patient finance scheme facility
- membership card
- access to a 24 hour dental emergency helpline 365 days per year
- worldwide Supplementary Dental Injury and Emergency Insurance (see overleaf).

HOW DOES OUR PLAN WORK?

To ensure you secure your registration with your dentist all that is required is for you to join our membership plan and maintain regular examination appointments as agreed with the practice. You pay a fixed monthly sum of £4.15 for your membership, which includes the charges for management and administration payable by you to DPAS.

HOW DO YOU JOIN OUR PLAN?

There is no need for an assessment. All you have to do is complete a registration form for us and a Direct Debit mandate and authorisation form for DPAS.

If you choose to leave the plan for any reason you can do so by simply giving us one month's notice.

WHAT HAPPENS IN AN EMERGENCY?

You will have access to a 24 hour, 365 day worldwide dental emergency helpline, which will endeavour to find an English speaking dentist to assist you.

ANY QUESTIONS?

If you have any questions about our plan, please contact our reception team who will be happy to provide further information and guidance.

Terms within this brochure are subject to change without notice.

- ✓ hospital cash benefit if under the care of an oral/maxillofacial surgeon
